# STRATEGIC MOVE DESTINATION SERVICES AUSTRALIA

## Settle your talent and family as quickly as possible.

Strategic Move has the right specialists at the right place, with first-hand experience, local network and resources that are essential to quick transition to your destination - Australia.

We manage all aspect of the move, from visa and immigration coordination to logistics, orientation and settling in services. We offer packages of services or per demand service according to the company's preferences.

### ✓ Orientation (temper the expectations and help the talent to make decisions on housing and schooling)

- Pre-arrival preparation
- Orientation visit - touring trip to view suburbs, housing, schooling, shopping and transportation
- Information and advice trough the relocation process

### ✓ Home search

- Temporary accommodation
- Accompanied & unaccompanied property inspections
- Lease agreement
- Connection to utilities
- Temporary furniture

### ✓ Education search

- Research and screening of appropriate schools and child care
- Co-ordinate school / child care visit appointments
- Assist with the enrolment documentation and process

### ✓ 1st month essentials

- Opening a bank account
- Tax file number registration
- Sourcing a car
- Obtaining a driver's license
- Selecting a GP, dentist and other medical specialists
- Finding your local sport, leisure and shopping centres

Our home search services can help you minimize the significant costs of temporary accommodation by up to 80%\*

\* 80% is based on experience, actual percentages will be determined by individual circumstances.
